

Rothco BDU Buttons Bag of 100

Rothco's durable plastic BDU buttons are great replacements for military spec BDU's. These BDU buttons make it easy to replace any lost buttons from your pants, shirts, and jackets. Designed with the simple and classic four hole layout, they are easy to sew onto any garment. Rothco's BDU Buttons Bag come in various colors, each sold separately, with 100 buttons per bag.
