

Rothco Kids Flight Jacket With Patches

Rothco's Kid's Flight Jacket with military and aviation inspired patches is a perfect fit for your junior pilot. The MA-1 Style Flight Jacket is 100% Nylon with a water repellent outer shell and lined with poly fiberfill for warmth. In addition to the classic military features like the reversible rescue orange lining and zippered utility pocket, there are 4 patches included with the flight jacket: an American Flag patch on the left arm, an F-14 Patch on the right arm, an F-117 Fighter patch on the left chest and a Fighter Pilot patch on the right chest. Also, the bomber jacket comes with two front slash pockets with snap down flaps, two inside slash pockets with snap closure, front zipper with storm flap and ribbed knit collar and cuffs.
