

Rothco U.S. Air Force Low Profile Cap

Rothco's U.S. Air Force Low Profile Cap is made from a durable 100% brushed cotton twill and features an embroidered Air Force insignia as well as the text "U.S. Air Force" on the front panel. This military hat also features a hook and loop closure in back for adjustability and a padded sweatband for added comfort. This cap is officially licensed by the U.S. Air Force.
