Got one of these for Christmas! super warm, comfy and my favorite color! Little smelly out of the package but as I understand it's just something that happens. Other than that it's awesome!

 Just got a pair of forced entry deployment boots. (In my actual size) Saw a lot of write ups to order larger but these fit, feel, and perform excellently!!! Thank You!

After a career in the military the Rothco mil-spec'd jackets and equipment are SUPERIOR!
