Section I	
Manufacturer's name	Emergency Telephone Number 800-725-8533 M-F 8-C
Top Brass, Inc.	
Address	Telephone Number for Information 715-253-2750 M-F 8-5 CST
1001 East Mohawk Street	Date Prepared 5-19-14 [review date 5-19-17]
Wittenberg, WI 54499	Signature of Preparer (optional)
Section II—Hazardous Ingredients/Identity Information	1
Hazardous Components (Specific Chemical Identity, Common Nar	me(s)) Other Limits OSHA PEL ACGIH TLV Recommended % (optional)
Not hazardous	
Section III—Physical/Chemical Characteristics	
Boiling Point Not Determined	Specific Gravity (H ₂ 0 = 1) Approx. 1.0
Vapor Pressure (mm Hg) Not Determined	Melting Point Not Determined
Vapor Density (AIR = 1) Not Determined	Evaporation Rate (Butyl Acetate = 1) NA
Solubility in Water Complete	
Secretary Company Company (Company)	
Appearance and Odor Clear liquid with slight soap	fragrance
Section IV—Fire and Explosion Hazard Data	
Flash Point (Method Used) N/A	Flammable Limits N/A LEL N/A UEL N/A
	Training Carrie 1971
Extinguishing Media N/A	
Special Fire Fighting Procedures N/A	
Unusual Fire and Explosion Hazards N/A	
(Reproduce locally)	OSHA 174 Sept. 1985

We believe that the information contained herein is current as of the date of the material safety data sheet. Although it is possible that this mixture itself has not been tested as to what hazards may be present. OSHA section 1910. 1200 has been applied. This states that if one or more hazardous components are a level of 1.0% (or greater), then the mixture is presumed to have all the health hazards of the components. Since the use of the products is not within our control it is the user's obligation to determine the conditions of safe use of the product. Note: The formula contains a combination of ingredients other than the hazardous materials listed.
